

Danny E. Henry

September 25, 1957 - August 11, 2019

Danny E. Henry Sr., 61, passed away peacefully on August 11, 2019 at Milford Regional Medical Center after an eight-month battle with pancreatic cancer. He is survived by his loving wife and best friend of 32 years, Linda J. (Potvin) Henry. He was a lifelong resident of Northborough.

Danny was born in Marlborough to the late Ernest W. Henry and Mildred L. Friars. He graduated in 1976 from Algonquin Regional High School as a National Honor Society member. While at Algonquin, he played basketball and his team won the Midland League title and the Clark Tournament. Danny went on to earn his Bachelor of Science degree in Economics/Finance from Bentley College, graduating in 1983 with high honors. After graduation, he began his career at Digital Equipment Corporation in Marlborough as a Finance Manager and stayed with them until 1998. He went on to work as a Controller at Charles River Apparel in Medford and as a Plant Controller at Genzyme Corporation in Framingham. From 2013 until the present, he worked for Robert Half International in Westborough as a Plant/Inventory Controller. He was also a self-employed Financial Planner.

Danny enjoyed running, fishing, kayaking and hiking. He and his wife Linda loved to travel to Costa Rica. Other favorite family vacation memories were made in Tennessee, Disney World, North Carolina, Sebago Lake in Maine, Hilton Head Island and Hersey Park. He was a loyal, compassionate, quiet, gentle and loving man. He was also family-oriented and was always there to support his family and friends. Danny was constantly learning and his loved ones would be amazed by how quickly he was able to give an accurate answer to any question. He will be fondly remembered for his quick-witted response when asked about his wide-ranging wisdom, "I'm a Dad, I have to know a little bit about everything."

In addition to his wife, Danny is survived by his two sons, Danny E. Henry Jr. of Northborough and Tyler Henry and Hannah Barrett of San Tan Valley, AZ; his granddaughter Zahara; siblings, LuAnn Warren and Butch Poore of Northborough; Susan Stirk and David of Shrewsbury, Bill Warren and Lane of St. Simons, GA, Kenneth Warren and Pauline of Northborough; several nieces, nephews, great-nephews and nieces, aunts, uncles, cousins, and his sister-in-law Jeanine Whittles and Keith of Littleton.

A celebration of life gathering for Danny will be held on Friday, August 16th from 3:30 – 5:00 pm with Funeral Service to follow at the Chiampa Funeral Home ~ The Sumner House, 5 Church Road, On the Common, Shrewsbury Center. “ Although I never met Dan I knew him through Linda. He took everything life had to offer and made the absolute most of it. What an amazing life he had here with Linda, his best friend, his kids, his family and friends. May you find peace in your hearts knowing that you were blessed to have such a spectacular person in your life for as long as you did. God bless all of you especially during this time.

“ Linda, Danny & Tyler,

We are deeply saddened by the loss of Dan in our family. We enjoyed his wit & his company so much. I especially remember how at our cook outs he would always be at work at the grill making sure that everyone had their food & it was cooked the way that they wanted it. He never seemed to worry about when he would get to eat or if there would be anything left! He was truly a nice guy. We will miss him always!

“ Linda and Family - I and the team of people who had the pleasure of working with Danny for so many years at Robert Half want to express our deepest sympathies. He will be fondly remembered as both the finest person and BEST consultant on our team. Every client he came into contact with couldn't have been more pleased with the work he performed for their organizations, his teamwork, can-do attitude and sense of humor. I always knew that when I placed Danny with one of my clients, they were getting the best in the business. For me personally, he was a great co-worker and friend. I will miss his great sense of humor, humility and zest for life. He was truly a class-act and I consider it an honor to have known him. He will truly be missed.

With deepest sympathies, Lewis

“ Linda, Danny and Tyler, words cannot express how deeply sorry I am for your loss. Our family has lost a wonderful, funny and caring man. To have Dan as a cousin-in-law, (I think he'd get a kick out of that word), was an honor and a privilege. He always had a beautiful smile on his face and a wit about him that will be forever missed . Dan, You always made me laugh....coming up behind me in a photo or letting me sit on your lap at parties while I was talking about who knows what! It just isn't fair that you had to leave everyone that loved you but I know you'll be keeping close to your family. You'll be in our hearts and memories always. We love you. Rest In Peace Dan

Love you Linda, Danny and Tyler

Hugs from Terry, Harvey, Steve and Helen

“ Being life long friends I have many memories and could go on and on about the quality of person Dan is and always was. Quite a tribute to Dan to be remembered as he is!...speaks volumes! I'll let others speak to that wonderful part of him.....

I'd like to share and reflect on a memory I have of Dan, that includes Dan, Pete Kallander and I from some years back!.

Dan and I have been life long Green Bay Packer fans(most of you probably didn't know Dan was a Packer fan..LOL!) Thanks to our buddy Pete being a big shot in sports TV, Dan

and I met Pete at Lambeau Stadium for a Packer game! We made it a weekend and Pete got us all kinds of access, perks, and press passes!....essentially we could go anywhere in the stadium...and we did! We were even on the sidelines for the game with the players!

I remember late Saturday before the Sunday game, Dan and I were wondering around the stadium as Pete was making final preparations somewhere, and no one was on the field and pretty much no one around the stadium. We looked at each other and said, hey lets go out on the field!!!.... which was perfectly prepped for the big game Sunday. We saw a football and started running plays, passing routs, throwing the ball back and forth...pretending to score touchdowns to the roar of the Lambeau faithful!...it was waaaaay cool and such a blast!!! Being able to run around the field, and thinking of all the great games and players to have played on that field we were goofing around on! How cool is that! Anyway we started thinking.....ahhhh oh oh, if the groundskeepers see us idiots out here messing up the field before the big game, their probably not going to be too amused or pleased to say the least. So we looked around and booked it out a there! Pete was less than pleased when we told him what we did at the bar later! LOL I still have my press pass from that game!!!

It was a fantastic weekend for us to be there, weather was sunny and warm(early fall game). We really had a great time I'll never forget! That's just one of many lifes' memories I have of my friend Dan Henry.

“ I just learned of Dan's passing and was saddened to hear of your families loss. Though we lost touch over the years, Dan was our financial advisor at Digital's International Logistics Center in Northboro. He was a great person who always had a can do attitude and was missed when he moved on to other opportunities. All my memories of Dan are good ones which I will hold onto forever.
