“ San, Lori and Gigi I am so sorry for your loss. When Sam joined the family 25 years ago, I had the pleasure of having Kathy become a part also. Her smile and joy was a delight and spending holidays and parties with Kathy was always great. The love she had for family was always evident. It was a joy to see her live for Sam and how they truly loved each other. I feel blessed to have known Kathy and I know she is now at peace.

“ Sam, Lori and Gigi. What a loss for you! The things I remember most about Kathy are the way she smiled, especially with you Sam:-) Her love for you always showed. I remembered her giving you a gift on some occasion at your house, and the sheer joy and humor, all the way around, was so special. What a sweet dynamic between Kathy and Sam. So memorable. She was always safe with you, and I could see it when you were together, she felt so too. God bless her in heaven. And God bless you Sam, Lori and Gigi.
